Customer Investment Objectives and Risk Tolerance

Select the categories that best describe your investment objectives (and if joint that of any co-applicants) and the risk that you are willing to assume in this account. Different investment products and strategies involve different degrees of risk. The greater the expected returns of a product or strategy, the greater the risk that you could lose some or all of your investment. Investments should be chosen based on your objectives, timeframe, and tolerance for market fluctuations. (Note that a secondary investment objective is not required).

Select One Primary Investment Objective with Your Associated Risk Tolerance (Check one box only)				Select One Secondary Investment Objective with Your Associated Risk Tolerance (Check one box only)			
Capital Preservation	<input type="checkbox"/> Low	You may not choose a secondary investment objective if you select Capital Preservation.					
Income	<input type="checkbox"/> Low	<input type="checkbox"/> Moderate	<input type="checkbox"/> High	Income	<input type="checkbox"/> Low	<input type="checkbox"/> Moderate	<input type="checkbox"/> High

Speculation			<input type="checkbox"/> High	Speculation			<input type="checkbox"/> High

Investment Objective Descriptions

- **Capital Preservation:** The object of capital preservation is to protect your initial investment by choosing investments that minimize the potential of a loss of principal. The long-term risk of this strategy is that returns may not offset inflation.
- **Income:** The primary objective of the income strategy is to provide current income rather than the long-term growth of principal.
- **Growth:** The objective of the growth strategy is to increase the value of your investment over time while recognizing a high likelihood of volatility.
- **Speculation:** A speculative objective assumes a higher risk of loss in anticipation of potentially higher-than-average gains by taking advantage of expected price changes. You recognize and are able to bear the full risk of the loss of some or all principal in such investments.

Risk Tolerance Descriptions

- **Low (Conservative):** I want to preserve my initial principal in this account, with minimal risk, even if that means this account does not generate significant income or returns and may not keep pace with inflation.
- **Moderate:** I am willing to accept some risk to my initial principal and tolerate some volatility to seek higher returns, and understand I could lose a portion of the money invested.
- **High (Aggressive):** I am willing to accept high risk to my initial principal, including high volatility, to seek higher returns over time, and understand I could lose all or a substantial amount of the money invested.

10. Account Agreement and Special Instructions (Please read and sign)

You hereby request that your Financial Advisor maintain a brokerage account in the name(s) listed on this application. You acknowledge that you have received, read and understood the Hilltop Securities Inc. (HTS/Firm) Cash Account Agreement (Agreement) section of the Customer Information Brochure and that you agree to be bound by the terms and conditions of the Agreement that apply to your brokerage account, as is currently in effect and as may be amended from time to time, and that you will contact your Financial Advisor regarding any questions that may relate to your account in a timely manner.

By signing this Application below, you authorize HTS to invest or transfer on an ongoing basis any excess cash balances to another account or institution as per the sweep account option you have selected or, alternatively, to retain any excess cash balances in CIP, except for IRAs or qualified retirement plans, should you either decline a sweep account option, make no sweep selection, or have an ineligible account. You also acknowledge that you have read, understand, and agree to be bound by all terms as contained in the Customer Information Brochure relating to sweep accounts. You agree to notify your Financial Advisor in writing should you wish to change your sweep account selection, decline participation in a sweep account option, or elect to participate in a sweep account. You also authorize HTS to transfer your interest in the selected sweep option to another product in the sweep program upon 30 days written notice.

By signing this Application, you confirm your intention to reinvest cash credit balances held by HTS in your name, and you further confirm that this cash credit balance is being maintained in your account solely for the purpose of reinvestment. You acknowledge your understanding that cash balances of up to \$250,000 are protected by the Securities Investor Protection Corporation (SIPC), but that SIPC coverage is not available for funds maintained solely for the purpose of earning interest.

Under rule 14b-1(c) of the Securities Exchange Act, a broker is required to disclose to an issuer the name, address, and securities positions of our customers who are beneficial owners of that issuer's securities unless the customer objects. If you object to the disclosure of such information, please check this box:

- Yes, I object to the disclosure of such information.

We are required to report your cost basis, short term and long term capital gain/loss information to the Internal Revenue Service (IRS) after the sale of your securities (for transition of specific securities, see your Customer Information Brochure). Hilltop Securities Inc. will use the First In First Out (FIFO) cost basis default accounting method on all lots sold unless you notify us to use an alternate cost basis accounting method, pursuant to instructions in your Customer Information Brochure. Please note that if you wish a specific tax lot to be sold, you will need to notify your Financial Advisor in writing on or before the settlement date of the trade as to which lot you wish sold. (Please refer to your Customer Information Brochure for additional details. For further reference the Internal Revenue Service Cost Basis Regulations can be found on the IRS website at <http://www.irs.gov>.) Please see below selections to change from Hilltop Securities Inc. default bond reporting options.

- Market Discount Election-** Hilltop Securities Inc. defers the recognition of Market Discount. Please select this box if you want to Recognize Market Discount as it accrues. If you made an election under section 1278(b) to include market discount in income as it accrues, you must notify Hilltop Securities Inc. of this election in writing in accordance with Regulations section 1.6045-1(n)(5). (Please refer to the IRS Publication 550).
- Market Discount Calculation Election-** Hilltop Securities Inc. uses the Constant Yield calculation method for accruing Market Discount. Please select this box if you choose the Straight Line (Ratable) Calculation method. (Please refer to the IRS Publication 550).
- Bond Premium-** Hilltop Securities Inc. amortizes taxable Bond Premium. Please select this box if you do not want to amortize taxable Bond Premium. (Please refer to the IRS Publication 550).

Limited Liability Company Account Agreement

Use this form to establish trading authority for a Limited Liability Company Account.

1. Limited Liability Agreement.

The undersigned manager(s) of a duly organized Limited Liability Company (hereinafter "LLC") by the name of _____ and organized under the laws of the State of _____ hereby authorize Hilltop Securities Inc. (HTS) to open an account for the LLC.

The undersigned agree, jointly and severally, to hereby authorize the Authorized Agents (designated below), or either of them, as the LLC's agents and attorneys-in-fact to buy, sell (including short sales) and trade in stocks, options, bonds and other securities and/or contracts relating to the same, on margin or otherwise, for the LLC's account and risk, and in the LLC's name or number on HTS's books in accordance with the terms and conditions set forth in its Customer Information Brochure or otherwise established by HTS. The undersigned hereby agree to indemnify and hold HTS harmless from, and to pay it promptly on demand, any and all losses arising therefrom or any debit balance due thereon.

HTS is authorized to follow the instructions of the Authorized Agents, or any one of them, in every respect concerning the LLC's account with HTS, and make deliveries of securities and payment of monies to them or as they may order or direct. In all matters and things aforementioned, as well as in all other things necessary or incidental to the administration of the LLC's account, the Authorized Agents, or any one of them, are authorized to act for and on behalf of the LLC in the same force and effect as the undersigned might or could do, and are authorized to receive on behalf of the LLC's account demands, notices, confirmations, reports, statements of account and communications of every kind, to make agreements on behalf of the LLC's account, to terminate or modify same or waive any provisions thereof, and generally to deal on behalf of the LLC's account as fully and completely as if Authorized Agents were interested in said account, all without notice to the other managers or members of the LLC.

The undersigned hereby ratify and confirm any and all transactions with HTS heretofore or hereafter made by the Authorized Agents, or any one of them, for the LLC's account. This authorization is in addition to (and in no way limits or restricts) any rights HTS may have under any other agreement between the undersigned and HTS.

This authorization is binding on the undersigned and the LLC and for their respective successors and assigns, and is also a continuing one and shall remain in full force and effect until revoked by the undersigned, or their respective successors and assigns, by a written notice addressed to HTS and delivered to 1201 Elm Street, Suite 3500, Dallas, TX 75270. In the event any of the undersigned cease to be managers or members of the LLC, HTS is authorized (a) to continue to treat such person as a manager or member for all purposes, and as bound by this authorization until such time as one of the undersigned, or such person's representative, delivers a written notice to HTS, at the address set forth above, to the effect that such person has ceased to be a manager or member and will no longer be bound by this authorization, and (b) to take such proceedings, require such papers, retain such portion of or restrict transactions in the LLC's account as HTS may deem advisable to protect it against any liability, penalty or loss under any present or future law or otherwise. It is further agreed that, in the event any of the undersigned cease to be managers or members of the LLC, the remaining managers and members will immediately cause HTS to be notified of such fact. No notice of revocation of any of the undersigned ceasing to be a manager or member in the LLC shall affect any authority hereby granted or any liability in any way resulting from transactions initiated prior to the receipt of the notice thereof by HTS. This authorization shall inure to the benefit of HTS, and of any successor firm, irrespective of any change at any time in the personnel thereof, for any cause whatsoever, and of the assigns of HTS or any successor firm.

Certification Regarding Beneficial Owners of Legal Entity Customers

I. GENERAL INSTRUCTIONS

What is this form?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this form?

For the purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. Legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

What information do I have to provide?

This form requires you to provide the name, address, date of birth and Social Security number (or passport number or other similar information, in the case of foreign persons) for the following individuals (i.e., the **beneficial owners**):

- (i) Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation); **and**
- (ii) An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, or Treasurer).

The number of individuals that satisfy this definition of “beneficial owner” may vary. Under section (i), depending on the factual circumstances, up to four individuals (but as few as zero if there are no owners that own 25 percent or more of the entity) may need to be identified. Regardless of the number of individuals identified under section (i), you must provide the identifying information of one individual under section (ii). It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30 percent equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section (ii)), and up to five individuals (i.e., one individual under section (ii) and four 25 percent equity holders under section (i)). The financial institution may also ask to see a copy of a driver’s license or other identifying document for each beneficial owner listed on this form.

II. CERTIFICATION OF BENEFICIAL OWNER(S)

Persons opening an account on behalf of a legal entity must provide the following information:

a. Name and Title of Natural Person Opening Account: _____

b. Name and Address of Legal Entity for Which the Account is Being Opened:

c. The following information for **each** individual, if any, who, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, owns 25 percent or more of the equity interests of the legal entity listed above:

Name	Title	Date of Birth	Address (Residential or Business Street Address)	For U.S. Persons: Social Security Number	For Foreign Persons: Passport Number and Country of Issuance, or other similar identification number ¹

(If no individual meets this definition, please write "Not Applicable.")

¹ In lieu of a passport number, foreign persons may also provide an alien identification card number, or number and country of issuance of any other government-issued document evidencing nationality or residence and bearing a photograph or similar safeguard.

d. The following information for one individual with significant responsibility for managing the legal entity listed above, such as:

- An executive officer or senior manager; or
- Any other individual who regularly performs similar functions.
(If appropriate, an individual listed under section (c) above may also be listed in this section (d)).

Name	Title	Date of Birth	Address (Residential or Business Street Address)	For U.S. Persons: Social Security Number	For Foreign Persons: Passport Number and Country of Issuance, or other similar identification number ¹

¹ In lieu of a passport number, foreign persons may also provide an alien identification card number, or number and country of issuance of any other government-issued document evidencing nationality or residence and bearing a photograph or similar safeguard.

I, _____ (name of natural person opening account), hereby certify, to the best of my knowledge, that the information provided above is complete and correct.

Hilltop Securities Inc. (HTS), a Member Firm of the New York Stock Exchange (NYSE), the Financial Industry Regulatory Authority (FINRA), and the Securities Investor Protection Corporation (SIPC) may perform, as agent, certain execution and clearing functions for your independent brokerage firm. These services are performed under a contract, known as a Fully Disclosed Clearing Agreement (the Clearing Agreement), between HTS and your independent brokerage firm. In the Clearing Agreement, “Financial Advisor” or “your Financial Advisor” refers to the financial advisor with whom you deal or to the introducing brokerage firm employing him/her. In addition, “you”, “your”, and “Customer” refer to each person who signs the account application. HTS’s role is limited to performing execution, clearing and custodial functions for your Financial Advisor. HTS makes no investment recommendations to the customers of your brokerage firm and assumes no responsibility for any investment recommendations that your Financial Advisor may make, or for trades made within your account.

Your Financial Advisor is not an employee or agent of HTS, but rather an employee or owner of a brokerage firm using the facilities of HTS to perform certain execution and clearing functions. Neither the financial advisor nor the brokerage firm may contractually bind HTS or make any representations to you on HTS’s behalf. HTS is acting only as an agent for your Financial Advisor and accepts no liability or responsibility for any act or omission of your Financial Advisor or your brokerage firm’s employees. HTS has no responsibility to supervise or monitor the activities of introducing financial advisors and the introducing financial advisors are exclusively responsible for ensuring that the transactions within your account comply with all applicable laws and regulations.

You (You or Customer) should discuss your investment goals thoroughly with your Financial Advisor. The more your Financial Advisor knows about your circumstances and financial goals, the better prepared your Financial Advisor is to help you. SHOULD YOU HAVE ANY QUESTIONS CONCERNING ANY ASPECT OF THESE AGREEMENTS, YOUR ACCOUNT OR SECURITIES IN GENERAL CONTACT YOUR FINANCIAL ADVISOR IMMEDIATELY.

The terms and provisions of the Customer Agreement apply to both HTS and your Financial Advisor. You understand and agree that any rights that either HTS or your Financial Advisor has under the Customer Agreement (collectively, the “Customer Agreement”), may be exercised by either party or may be assigned to the other, including, but not limited to, the right to collect any debit balance or other obligations owing in your account. HTS and your Financial Advisor may collect from you or enforce any other rights under the Customer Agreement independently or jointly. **You understand and acknowledge that HTS may modify or change the terms and conditions set forth herein without notice.**

WEBSITE ADDRESS

Hilltop Securities Inc.’s website www.hilltopsecurities.com is referenced throughout this Customer Agreement. The website of Southwest Securities, Inc., the former name of Hilltop Securities Inc., is www.swst.com and may remain active after October 5, 2015 or it may direct you to www.hilltopsecurities.com.

TAX and LEGAL ADVICE

HTS cannot offer or issue tax or legal advice to you or your Financial Advisor. Where specific tax or legal advice is necessary or prudent, HTS recommends that you consult with your own tax or legal counsel.

CASH ACCOUNT AGREEMENT

In consideration for HTS opening and maintaining one or more cash accounts, you agree to be bound by the terms and conditions of the Customer Agreement, which may be amended at HTS’s discretion, as follows:

- 1. Applicable Rules and Regulations.** All transactions made for you are subject to the constitution, rules, regulations, customs, usages, rulings and interpretations of the exchange or market, and its clearing house, if any, where the transactions are executed, as well as the mandates of the NYSE, FINRA, the United States Securities and Exchange Commission (SEC), and the Federal Reserve Board. The transactions shall also be subject to all applicable federal and state laws, rules and regulations, and will be construed in accordance with the laws of the State of Texas. It is important that you understand that your property may be transferred to the applicable State if no activity occurs in your account within the time period specified by State law.
- 2. Capacity to Contract, Customer Affiliation.** You represent being of legal age, and not an employee of any exchange, member firm of an exchange or FINRA, bank, insurance company, or trust company, and that HTS will be promptly notified upon such association. You also represent that no one has an interest in this account or your other accounts with HTS, other than those signing the appropriate account documents.
- 3. Binding Upon Customer’s Estate.** You hereby agree that the Customer Agreement will be binding upon Customer’s heirs, executors, administrators, personal representatives and assigns, and that any successor will be notified of the Customer Agreement’s provisions.

4. Important Information About Procedures for Opening a New Account. To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

5. Agreement Contains Entire Understanding/Assignment. The Customer may not assign the rights and obligations in the Customer Agreement without first obtaining the prior written consent of a duly authorized officer of HTS.

6. Severability. If any provision of the Customer Agreement is held to be unenforceable by any law, rule, administrative order or judicial decision, that determination shall not affect the validity of the remaining provisions.

7. Waiver and Modification. Except as specifically permitted in the Customer Agreement, no provision may be waived or amended unless it is agreed to in writing and signed by a duly authorized officer of HTS. You further understand that the failure to exercise any right or obligation granted by the Customer Agreement will not be considered as a waiver of that right or obligation.

8. Opening an Account. Before an account can be opened, you must furnish your Financial Advisor with certain information, including your name, address, Social Security number or tax identification number, citizenship, age, occupation, bank or other brokerage reference, as well your financial situation (net worth, income, investment experience, investment objective). Your Financial Advisor has the responsibility for opening, approving and monitoring your account. Your Financial Advisor must obtain and is responsible for new account documentation, knowledge of customer and customer investment objectives, new account approval or rejection, determining the commission charged, review of orders and accounts, supervision of orders and accounts, furnishing of investment advice, handling and supervision of discretionary accounts, and the handling of accounts for employees or officers of member organizations, self-regulatory organizations and other financial institutions. Each account opened is subject to HTS's acceptance and HTS reserves the right to close or restrict an account or reject a transaction at anytime. HTS and your Financial Advisor reserve the right to conduct background checks on account holders at any time, including obtaining credit reports. If requested, you will sign a separate release authorizing the release of credit information.

9. Backup Withholding. Federal law requires, for U.S. persons, a specified percentage of reportable interest, dividends, and proceeds from the sale of securities be withheld, unless you furnish a correct taxpayer identification number. To avoid this "backup withholding" complete and return the New Account Application, which includes the substitute W-9 Form, certifying that the taxpayer number you are furnishing is correct and that you are not subject to backup withholding. For most individuals, your taxpayer identification number and Social Security number are the same. Foreign persons claiming foreign status must complete the IRS W-8BEN Form (for joint foreign accounts, each owner submits a W-8BEN).

10. FATCA Withholding. Due to the enactment of the Foreign Account Tax Compliance Act (FATCA), if HTS cannot reliably associate a payment with valid documentation from the foreign person(s), HTS must presume the account is domestic, backup withhold and produce a 1099 tax statement for the period of time the foreign account is not properly documented. Foreign Financial Institutions (FFIs) and Non-Financial Foreign Entities (NFFE) must submit a valid IRS Form W-8BEN-E. If HTS does not receive valid documentation, FFIs and NFFE are subject to 30% FATCA withholding. In addition, if the account is classified as a United States Financial Institution (USFI) and HTS does not receive a valid IRS Form W-9, HTS is required to treat the USFI as foreign, subject to 30% FATCA withholding and produce a 1042-S tax statement for the period of time the USFI is not properly documented.

11. Cash Account. Your brokerage cash account does not provide for the extension of credit (margin), and you must pay in full for any security that you purchase. Regulation T of the Federal Reserve Board and certain Exchange rules require settlement of the purchase or sale of securities on the settlement date, which is usually three (3) business days following the transaction.

When you buy a security, prompt payment in cash or by personal check, wire transfer, cashier's check or money order payable in U.S. funds to the order of HTS must be received into your account. Your Financial Advisor can tell you the amount due shortly after any purchase. HTS will prepare and send a confirmation to you as soon as possible after execution of your order. You should not wait for the arrival of the confirmation before paying, since funds must be received by the settlement date. Federal Regulation T requires HTS to liquidate securities for which prompt payment is not received. In that event, you will be responsible for any resulting loss, will not be entitled to any gain, and your account will be restricted for 90 days.

When you sell your stock it is essential that you deliver the certificate promptly to your account at HTS. The proceeds of a sale cannot be paid to you until HTS's receipt of your stock certificate in good, deliverable form by the settlement date. If HTS does not receive the securities that you sold within a reasonable amount of time after settlement date, your Financial Advisor is required to purchase the securities in the open market. Again, you will be responsible for any resulting loss, will not receive any gain, and your account will be restricted for 90 days.

The proceeds of a sale will be either retained in your account or, if you so request, the funds will be mailed to you. You may also request that sale proceeds, dividends and interest be automatically deposited to your bank account by electronic funds transfer. In general, it is HTS's policy that funds cannot be withdrawn against a deposited check within ten (10) business days of the date of deposit.

12. Interest on Cash Balances. For your account to be credited with interest, you must sign the New Account Application that specifies that funds left with HTS are pending investment. Interest will be paid on those balances that accrue \$1.00 or greater of interest during the month. Please refer to Section 38 "Securities Industry Protection Corporation (SIPC) and Excess SIPC Coverage" for a discussion of your account protection.

13. Compensation to HTS. HTS may receive compensation for establishing relationships through which investment products are made available. This compensation may include non-cash items such as reciprocal arrangements, discounts, rebates or reductions or credits against fees that would otherwise be payable in full by your Financial Advisor or HTS.

14. Sweep Program. Sweep Program is a service provided by HTS to its customers offering you the option of automatically transferring excess cash balances in your securities account to either an account at a bank whose deposits are insured by the FDIC or a money market mutual fund product. A sweep of your excess cash balance allows you to earn interest on the funds while retaining the flexibility to quickly access that cash to purchase securities or withdraw it. To participate in the HTS sweep program, you must select a sweep option upon account opening. HTS may change the products available under the sweep program. For existing accounts, please notify your Financial Advisor if you wish to sweep cash balances to the Bank Insured Deposit, Dreyfus General Money Market Fund, or other selection. If you decline participation in the sweep program, fail to make a sweep program election, or if your account is ineligible to sweep, excess cash balances must be retained in an interest-bearing SIPC insured credit investment pending (CIP) account held at HTS.

Unlike cash accounts, individual retirement accounts and qualified retirement plan accounts may not retain excess cash balances in CIP. Therefore, these specific types of accounts must affirmatively select either the money market fund option or Bank Insured Deposit option.

HTS must provide any customer participating in its sweep program at least thirty (30) days written notice of (1) changes to the terms and conditions of the sweep program and any products currently available through the sweep program, (2) any changes, additions or deletions of products available through the sweep program, and (3) changing customer's investment through the sweep program from one product to another.

The Bank Insured Deposit is a program which involves a series of FDIC-insured bank accounts maintained at various participant banks, including PlainsCapital Bank, an affiliate of HTS. A list of participant banks is available on our website at www.hilltopsecurities.com. Additions and changes to this list will also be posted on this website. Please consult your Financial Advisor, as certain types of accounts may not be eligible to invest in the Bank Insured Deposit. If your account is ineligible, excess cash balances will be retained in an alternate fund or CIP. It is important that you understand the unique nature, insurance coverage and risk associated with each type of account. SIPC coverage does not protect cash balances created and maintained solely for the purpose of earning interest, so funds in money market or CIP accounts must be intended for future reinvestment.

HTS may temporarily suspend or discontinue the sweep arrangement, or change the timing or frequency of the sweep, anytime without advance notice to you. If HTS fails to sweep your uninvested funds in the manner described in the Customer Agreement, HTS's liability is limited to the actual amount of the dividends or interest you would have earned had the sweep been performed. HTS may automatically sweep funds from your sweep account to your brokerage account anytime without advance notice to you to pay for securities transactions and withdrawal requests, satisfy a debit balance, settle any other obligation you owe HTS, pay your margin loan, provide necessary collateral in your margin account, or for any other permissible purposes. Should you wish to access these funds or information regarding the fund rates, contact your Financial Advisor or visit www.hilltopsecurities.com. With ongoing changes to the rates of return for the available sweep options, your personal financial circumstances and market conditions, you should always consider all of your investment options.

a. **Bank Insured Deposit.** HTS anticipates receiving fees, including fees for administrative services, and other financial benefits for providing sweep funds to our sweep program administrator and participant banks, including our affiliate PlainsCapital Bank. HTS anticipates the participant banks will receive a financial benefit from the use of sweep funds, such as net interest income. A portion of fees received may be paid to your Financial Advisor. The FDIC insures bank deposit accounts such as checking, interest bearing checking and savings accounts, money market deposit accounts, and certificates of deposit (CDs) if an insured bank or savings association fails. Your bank deposits are generally insured up to \$250,000 per account holder, while your IRA and other qualifying self-directed retirement funds on deposit are separately insured up to \$250,000. The FDIC does not insure the money you invest in stocks, bonds, mutual funds, life insurance policies, annuities, or municipal securities, even if you purchased those products from an insured bank. Other accounts you maintain at a participant bank may affect your FDIC insurance coverage. If your funds on deposit exceed

the applicable FDIC insurance limit of \$250,000 per account holder (\$250,000 for qualifying retirement accounts), the FDIC will not insure your funds in excess of the limit. If you have a deposit with one of the participant banks that is separate from a balance in the Bank Insured Deposit, please notify your Financial Advisor if the combined deposits are in excess of \$250,000. Account balances in excess of the combined coverage limits of the participant banks will be retained by HTS either in a CIP account or to a money market fund, dependent on the type of account and your sweep program selection. For an up-to-date combined coverage limit based on the number of participant banks, please go to www.hilltopsecurities.com. Additional information regarding FDIC coverage is available at www.fdic.gov. Please consult your Financial Advisor, as certain types of accounts may not be eligible to invest in the Bank Insured Deposit.

Interest on funds in a bank deposit account is accrued daily, compounded monthly, and credited to your account monthly. Interest begins to accrue on the date of deposit in the Bank Insured Deposit up to, but not including, the date of withdrawal. The daily balance method is used to calculate the interest on these accounts. The daily rate is 1/365 (or 1/366 in a leap year) of the interest rate. Account rates are set in accordance with other Bank products and may be changed at any time. The rate of return paid on Bank Insured Deposit funds may vary from the rates of return available to account holders making deposits with the Bank directly, through other types of accounts at your brokerage, or with other depository institutions in comparable accounts. The bank deposit account may be more profitable to HTS and its affiliates, than other available sweep options. You should compare the terms, rates of return, required minimum amounts, charges and other features with other accounts and alternative investments.

b. Money Market Funds. Money market mutual funds, including the Dreyfus General Money Market Fund, which may also be available as a customer- selected sweep option, are registered with the SEC pursuant to the Investment Company Act of 1940, and are treated as securities. Please refer to Section 38 “Securities Industry Protection Corporation (SIPC) and Excess SIPC Coverage”.

HTS anticipates receiving fees or other financial benefits based on your sweep account balance. For money market funds, those benefits can include annual payments based on the amount you invest in the sweep account. A portion of fees received may be paid to your Financial Advisor. Please note that shares in a money market fund are not FDIC-insured, not guaranteed by the federal government, and are not deposits or obligations of any bank or guaranteed by any bank. There can be no assurance that a money market fund will be able to maintain a stable net asset value of \$1 per share. Tax-exempt money market funds may be subject to the alternative minimum tax. See the money market fund prospectus for more complete information, including terms, management fees, prevailing rates, and expenses. You can obtain a prospectus by contacting your Financial Advisor. You should consider the fund’s investment objectives, risks, and expenses carefully before investing.

15. Joint Accounts. Joint account customers agree, that the signatories, jointly and severally, have the authority on behalf of the account to do all acts and have all rights, responsibilities and obligations that an individual account holder may have. Joint account customers, jointly and severally, agree that each joint account customer will have authority on behalf of the account to buy, sell and otherwise deal in securities; to receive on behalf of the joint account demands, notices, confirmations, reports, statements of account, and communications of every kind; and to deal with the financial advisor on behalf of the joint account as fully and completely as if the Customer alone were interested in the account. This may all be done without notice to others interested in the account. Your Financial Advisor is authorized to follow the instructions of any of the account holders in every respect concerning the joint account. In the event of deliveries of securities or payments to any of the joint account parties, your Financial Advisor will be under no duty or obligation to inquire into those deliveries or payments. Joint authority will remain in force until your Financial Advisor receives written notice of revocation. Your Financial Advisor, however, is authorized, at the account holders’ discretion, to require joint account action by the joint tenants with respect to any matter concerning the joint account. If the Joint Tenants with Right of Survivorship box has been marked, on the death of any account holder, the deceased party’s ownership of the account passes to the surviving account holders.

The liability with respect to said account shall be joint and several. All property shall be subject to a lien in the financial advisor’s favor for the discharge of the obligations owed the financial advisor. It is understood that the lien be in addition to and not in substitution of the rights and remedies the financial advisor would otherwise have.

It is further agreed that the estate of any of the account holders who have died will be liable, and each survivor will continue to be liable, jointly and severally, to the financial advisor for any net debit balance resulting from transactions initiated prior to the receipt by the financial advisor of the written notice of the death, incurred in the liquidation of the account, or the adjustment of the interests of the respective parties.

16. Custodial Accounts. It is agreed that all accounts opened under the Uniform Gift to Minors Act (UGMA), the Uniform Transfers to Minors Act (UTMA), or similar state statutes will be properly created and that all property so transferred will be done in compliance with such applicable statutes. There will be good faith reliance upon the instructions given, representations made and actions taken by a transferor or custodian. Further, the custodian represents and warrants that the assets in the account belong to the minor and that all such

assets, whether or not transferred out of the UGMA or UTMA account, will only be used for the benefit of the minor.

17. Employee Stock Option Plans. With HTS’s and your Financial Advisor’s consent, you may exercise employee stock options or execute other employee stock plans through them. In such instances, by your signing the New Account Application, you represent to the issuer of such securities that HTS may make payments from your account for the cost of the securities. You understand that once those instructions have been accepted by HTS, they are not revocable or amendable by you, and that you agree to hold HTS and your Financial Advisor free and harmless from any liability, cost or expenses associated with the market fluctuation of the stock price of the subject security. You understand that prior to acceptance of your instructions, HTS must verify that the issuer will promptly deliver a readily marketable security in negotiable form, and that you must designate the account into which the securities are to be deposited.

18. New Issues. In connection with certain public offerings of securities, after a registration statement has been filed, you may be permitted to enter a conditional offer expressing your offer to purchase securities “when and if issued.” You understand that a conditional offer is an offer to purchase public offering securities which (i) cannot be accepted until such time (the “Time of Effectiveness”) as the public offering securities have been effectively registered, but (ii) may be accepted, in whole or in part, immediately upon such Time of Effectiveness without any further action or consent on your part. You will be entitled to cancel any conditional offer at any time prior to the time that the Time of Effectiveness has occurred and your offer accepted.

Each conditional offer or subscription will be authorized by you and accepted with the understanding that an actual purchase is intended and that it is your obligation to pay for the purchase upon our demand. HTS and your Financial Advisor’s processing of any conditional offer or subscription will be subject to certain rules and regulations, which are subject to change at any time without notice. You understand that entering a conditional offer or a subscription in no way entitles you to purchase any securities, and that HTS and your Financial Advisor reserves discretion to reject any offer for any reason, to allocate securities on any basis, or to change methods for allocating securities at any time and without notice. You also understand that HTS and your Financial Advisor may require that your account contain available funds equal to or greater than the purchase price reflected by your offer. Any offer inadvertently accepted without sufficient funds in your account will be subject, at HTS’s discretion, to cancellation or liquidation. You are responsible for your offers, including any purchases which exceed available funds. If funds are not available in the account and an offer is accepted, your payment must be immediately submitted to HTS. If payment is not received, or as market conditions warrant, at HTS’s discretion, your account may be liquidated without prior notice. In the event your account is liquidated, you will be liable for resulting losses and all associated costs incurred by HTS.

19. Callable Securities. HTS, in accordance with FINRA Rule 4340 (Callable Securities), has a lottery process in place which will allocate among its customers, on a fair and impartial basis, the securities to be redeemed or selected as called in the event of a partial redemption or call. You may access the firm’s allocation procedures on the firm’s website at www.hilltopsecurities.com. HTS will provide hard copies of the allocation procedures upon request.

20. Restricted Securities. You agree to advise HTS and your Financial Advisor as to the status of any securities that fall under Rule 144, 145, 148, and 701 of the Securities Act of 1933, as amended, and to timely deliver the appropriate paperwork to ensure clear legal transfer and good delivery of such securities.

21. Foreign Income Tax Withholding. When dividends and interest are paid on foreign securities, foreign tax is generally withheld from the payment by the paying agent at a tax rate known as the statutory, or maximum, rate and paid to the foreign taxing authority. In many cases investors are resident for tax purposes in countries that have tax treaties with the security’s country of issuance. For specific types of investors, these treaties often allow for a favorable rate of withholding, less than the statutory rate.

If you invest in foreign securities and are eligible for a favorable rate of withholding on dividends and interest, a residency certification is usually required. Most countries require IRS Form 6166 for US residents. To request a Form 6166, a taxpayer or an authorized representative must submit Form 8802 to the IRS. If your account is eligible for the favorable tax rate, and HTS secures the distribution at the favorable rate at source, the payment will be paid to your account less fees assessed by the depository.

22. Customer’s Responsibility Regarding Certain Securities. Certain securities may grant the customer valuable rights that may expire unless you take action. These securities include, but are not limited to, warrants, stock purchase rights, convertible securities, bonds and securities subject to a tender or exchange offer. You are responsible for knowing the rights and terms of all securities in your account. HTS and your Financial Advisor are not obligated to notify you of any upcoming expiration or redemption dates, or to take any other action on your behalf, without specific instructions from you, except as required by law and applicable rules of regulatory authorities.

Similarly, you are responsible for knowing about reorganizations related to securities that you hold, including but not limited to stock splits and reverse stock splits. HTS and your Financial Advisor are not obligated to notify you of any such reorganizations. If, due to a reorganization, you sell more shares of a security than you

own, if you become uncovered on an options position, or if you become otherwise exposed to risk requiring HTS or your Financial Advisor to take market action in your account, HTS and your Financial Advisor will not be responsible for any losses you incur. Overselling in a cash or margin account may be an impermissible short sale and may result in your account being restricted.

23. Delivery of Securities. Without abrogating any of HTS's or your Financial Advisor's rights under any other portion of the Customer Agreement, and subject to any indebtedness of the Customer to the financial advisor, the Customer is entitled, upon appropriate demand, to receive physical delivery of fully paid, transferable securities in the Customer's account.

If transferable physical securities are deposited in an account within ten (10) business days prior to a transfer, such shares will not be released by HTS until the ten-day period has lapsed. In addition, transferable securities purchased and paid for by check will not be released for transfer until ten (10) business days subsequent to the deposit of the check.

24. Agency and Principal Transactions. Many stocks and bonds are not traded on a securities exchange but in what is known as the over-the-counter market (OTC). When you buy or sell a security in this market, your Financial Advisor may act as an agent or as a principal. The confirmation, which you receive, will designate the capacity in which your Financial Advisor acted. When your Financial Advisor acts as a principal, HTS is selling securities to you that it either owns or expects to buy shortly, or is buying securities from you for its own account. When your Financial Advisor acts in an agency capacity for you in purchasing or selling securities in the OTC market, your Financial Advisor is dealing on your behalf with another Broker/Dealer, which could be HTS, or a customer of HTS. In such a case, the commission will be reflected on your confirmation. Orders that exceed specified criteria may undergo additional review by your Financial Advisor and/or HTS.

25. Transactions and Settlements. All customer orders for the purchase or sale of securities and other property will be executed with the understanding that an actual purchase or sale is intended and that it is the Customer's intention and obligation to deliver securities or the necessary funds by settlement date.

If the Customer fails to deliver to the financial advisor any securities and other property sold at the Customer's direction, the financial advisor is authorized to borrow the securities and other property necessary to enable the financial advisor to make delivery. The Customer agrees to be responsible for any cost or loss the financial advisor may incur, or the cost of obtaining the securities and other property which the financial advisor is unable to borrow. The financial advisor is the Customer's agent to complete all such transactions and is authorized to make advances and expend monies as required.

Please be advised that certain orders, at HTS's or your Financial Advisor's discretion, may be subject to manual review and entry, which may cause delays in the processing of your orders. You should be aware that with respect to any order, you would receive the price at which your order was actually executed in the marketplace, which may be different from the price at which the security or option is trading when your order is entered. You understand that HTS may not be held liable for acting upon false oral instructions or forged documents.

26. Execution of Orders/Erroneous Reports. Your Financial Advisor can execute your orders to buy or sell securities, or forward them to HTS for execution. Stock and option exchanges have rules governing erroneous reports of executions. The price at which an order is executed will be binding, notwithstanding that an erroneous report may have been rendered or no report was received from the exchange. Also, a report will not be binding if an order was not actually executed but was reported in error.

27. Cancellation Requests; Late and Corrected Reports. When you place a request to cancel an order, the cancellation of that order is not guaranteed. Your order will only be canceled if your request is received in the marketplace and matched before your order is executed. During market hours, it is rarely possible to cancel your market order. Do not assume that any order has been executed or cancelled until you have received confirmation from HTS or your Financial Advisor. Please be advised that HTS and your Financial Advisor may, from time to time, receive late reports from exchanges and market makers reporting the status of transactions. Accordingly, you may be subject to late reports related to orders that were previously unreported to you or reported to you as being expired, cancelled, or executed. Further, any reporting or posting errors, including errors in execution prices, will be corrected to reflect what actually occurred in the marketplace.

28. Dividend Reinvestment Program (DRIP Program). With this feature, all dividends paid by eligible securities that you designate for reinvestment are automatically reinvested in additional shares of the same security. (For purposes of the Dividend Reinvestment Program, "dividends" means cash dividends and capital gain distributions, late ex-dividend payments, optional dividend distributions and special dividend payments, but not cash-in-lieu payments.) To be eligible for this program, a security must be held, in the account, in street name by HTS or at a securities depository on its behalf. Open orders for securities are not eligible for dividends.

In designating any eligible security for reinvestment, you authorize us to purchase shares of that security for your account. Participation in the DRIP Program may be terminated at any time by giving notice to HTS. The termination will take effect with the next eligible cash distribution provided the notice to terminate was received prior to the record date of the distribution.

All eligible cash distributions will be reinvested on all eligible securities that have been enrolled in the DRIP Program without commission charges provided the securities were held on the record date and the dividend payable date.

All rights accruing to partial shares of an eligible security that are subject to the DRIP Program will be sold in the event of a rights offering. Proceeds from the sale will be used to purchase additional shares of the eligible security. In the event of a transfer, liquidation, or request to issue a certificate, the partial shares will be liquidated at prevailing market prices without a commission charge.

Shares purchased through the DRIP Program will generally be placed in your account as of the dividend payable date. Note, however, that the stock price at which your reinvestment occurs is not necessarily the same as the price that is in effect on the dividend payable date. This is because HTS may buy the shares of domestic companies three (3) business days or less before the dividend payable date, at the market price(s) in effect at the time, in order to help ensure that HTS has shares on hand to place in your account on the dividend payable date. Other factors may require the purchase of the shares on a different business day, which may be before, on, or after the dividend payable date, e.g., dividends of foreign companies. Also, shares of securities that have an unusual ex-dividend date are purchased on the ex-dividend date and placed in our account on the first business day following the dividend payable date. Therefore, you may end up receiving more or fewer shares than if your dividend had been reinvested on the dividend payable date itself, particularly if there are significant changes in the market price of a security just before its dividend payable date. If sufficient shares are unavailable in the market to satisfy all customers' requirements for dividend reinvestment for a security, the dividend will not be reinvested.

Automatic reinvestments often involve purchase of fractional shares. Partial shares pay prorated dividends and can be sold if you sell your entire share position, and will be liquidated automatically in transfers and certain other situations, but otherwise typically cannot be sold. Dividend payments will be made based on those fractional shares. Proxy materials and voting rights will be proportionate to the partial interest, except in certain types of company reorganizations. In the event of a mandatory reorganization, partial interest will be handled according to the terms of the reorganization. In cases of voluntary reorganization, HTS will act on an account holder's instructions with respect only to whole shares.

Although for dividend reinvestments your regular account statement takes the place of a trade confirmation, you can generally obtain status information the day after the reinvestment date by contacting your Financial Advisor.

If you transfer or reregister your account within HTS (for example, by changing from a Traditional IRA to a Roth IRA), you need to re-designate any securities whose dividends you want reinvested.

When feasible, HTS will participate in a program offered by the Depository Trust Company (DTC) that offers a share price discount. Note that the availability of any given security through this program may change without notice. Also note that DTC program transactions sometimes take longer to process: although the transactions are effective as of the dividend payable date, they may not be posted to your account until 10-15 days after the payable date. If you sell your dividend-generating shares before the posting date, the dividend will not be reinvested.

If Instructions are not received prior to the record date there is no guarantee that your cash will be reinvested for that pay date. Dividend reinvestment does not ensure a profit on your investments and does not protect against loss in declining markets.

29. Losses Due To Extraordinary Events. HTS is not responsible, and you agree not to hold HTS liable, for losses caused directly or indirectly by conditions beyond our control, including, but not limited to: war, natural disasters, government restrictions, exchange or market rulings, strikes, interruptions of communications or data processing services, news or analysts' reports, trading volumes, market volatility or disruptions in orderly trading.

30. Order Flow Disclosure. Payment for Order Flow is compensation paid to a brokerage firm by another Broker/Dealer in return for directing some customer orders for execution. Such remuneration is considered compensation to the brokerage firm, and the source and amount in connection with your transaction will be disclosed upon request. This compensation may include non-cash items such as reciprocal arrangements, discounts, rebates or reductions or credits against fees that would otherwise be payable in full by your Financial Advisor. Order Routing Statistics required under SEC rules are available on the Internet at www.hilltopsecurities.com.

31. Confirmations. The confirmation contains the complete terms of the trade. While HTS makes every effort to transmit reports of transactions accurately, errors do occasionally occur, especially during periods of heavy volume. If a transaction is not entirely in accordance with your understanding and directions, you must report the error to your Financial Advisor in writing or by electronic mail within two (2) days after your receipt of the confirmation. HTS cannot be held responsible for the price as reported to you if your order was executed at another price. Furthermore, HTS cannot be held responsible for reports of transactions that have not, in fact,

occurred. As soon as the error is discovered, the correct information will be reported to you as expeditiously as possible.

It is your responsibility to review upon receipt, all confirmations of transactions. If notification is not received within the specified time, you may not later claim the transaction(s) to be incorrect or unauthorized. HTS reserves the right to determine the validity of your objection. HTS may elect at any time to cease sending confirmations for transactions effected pursuant to a periodic plan or an investment company plan. Periodic plan and investment company plan transactions will be provided in Customer account statements.

32. Non-Transferable Securities Certificates. Any worthless or non-transferable securities certificates for which transfer agent services are not available and have not been available for six years (6) will be moved to the internal Depository Trust Company (DTC) Position Removal (PREM) account for destruction by DTC. You acknowledge that your HTS trade confirmation will be your only notice that worthless securities will be destroyed by DTC.

33. Cost Basis. Effective January 1, 2011, as a result of the Energy Improvement and Extension Act of 2008, we report your cost basis, short term and long term capital gain/loss information to the Internal Revenue Service (IRS) after the sale of your stock securities. HTS will use the First In First Out (FIFO) cost basis default accounting method on all stock lots sold unless you notify your Financial Advisor in writing to use an alternate cost basis accounting method. The current Cost Basis regulations phase in changes to Form 1099 B reporting requirements by security category as follows:

- Effective January 1, 2011 shares of stock in a Corporation inclusive of REITs (Real Estate Investment Trusts), Closed End Funds, American Depository Receipts (ADRs) and Exchange Traded Funds (ETFs).
- Effective January 1, 2012 stock in Open End Funds, Regulated Investment Companies (RICs), and Dividend Reinvestment Plans (DRPs) which are eligible for the alternate average basis accounting method.
- Effective January 1, 2014 less complex debt instruments, options, commodity derivatives or any other financial security identified by the Treasury.
- Effective January 1, 2016 more complex debt instruments.

The IRS requires separate 1099 B Forms to be issued to you if you have sold both “covered” and “noncovered” securities. “**Covered**” securities are defined as stock acquired for cash after January 1, 2011 which is reportable under the new cost basis rules for the tax year 2011, Open End Funds, DRPs and RICs acquired for cash after January 1, 2012 which is reportable under the new cost basis rules for the tax year 2012, and bonds, options, commodity derivatives or any other financial security identified by the Treasury not covered in the current Cost Basis Regulations for the tax year 2012. “**Noncovered**” securities are securities acquired for cash prior to the effective date applicable to that security type, and are not subject to cost basis reporting.

In addition to reporting your basis amount for “covered” securities we are required to report whether the transaction results in short term or long term characterization. Short sales are reported in the tax year the short position is closed. We are also required to incorporate wash sale rules in basis calculation for identical securities with the same CUSIP number held in the same account, as well as take into account corporate actions for cost basis reporting effective January 1, 2011.

Effective January 1, 2012 we are required to identify all corporations as either a S Corporation or a C Corporation. In addition, we are required to report 1099 B cost basis information for S Corporations for “covered” securities. Sales proceeds, or amounts reported on the 1099 B for S Corporations are subject to backup withholding if we do not have Form W-9. All corporate accounts are considered as S Corporations until we receive a new W-9, which has a new identification feature for C Corporations and S Corporations, effective January 1, 2012.

Please note that if you own securities which are subject to the 2011 1099 B cost basis reporting rules and you do not want your 1099 B long or short term gain/loss reported using FIFO for a specific security, you must notify your Financial Advisor on or before settlement date of the sale of the security as to which tax lot you wish sold. Please be advised if you currently have standing instructions for the accounting method used for “noncovered” securities, HTS needs new, separate additional standing instructions for the accounting method for your “covered” securities acquired in 2011.

As of 2012, mutual funds and securities subject to a dividend reinvestment program may use cost basis averaging as the accounting method. If we are currently averaging the basis of any of these securities acquired before 2012, we plan to make a single-account election pursuant to the IRS regulations and treat those securities as “covered” securities even though acquired before 2012, unless you instruct us in writing to do otherwise, that is, to use another method of basis calculation for those securities acquired in 2012 or later. If you do not elect otherwise, then upon our making the single-account election, any newly acquired securities will be averaged with the older existing securities, as long as acquired in the same account with the same CUSIP number. Unless you contact your Financial Advisor and wish to change this single-account election, it may only be done

prospectively. If by 2012, we are not currently averaging any of your mutual funds or stock subject to a dividend reinvestment plan, and your accounting preference is not FIFO, we will require your request for an alternate accounting method to be in writing. You may make the average basis election at any time, effective for sales or other dispositions of stock after you notify your Financial Advisor. The election must identify each account you have with us and each stock in that account to which the election applies. The election may specify that it applies to all accounts with us including accounts you subsequently establish with us.

We do not issue tax advice as you are responsible for accurately reconciling and reporting the sales of your securities impacted by the cost basis regulations. If you have additional questions, please seek the advice of your CPA or tax advisor.

34. Account Statements. You should carefully examine your account statement as soon as you receive it. If you feel that there is an error on the statement, you must notify HTS immediately in writing, but in no event later than 10 days after the date the statement is first made available to you (e.g., eDelivery or ClientEXP), on which the error first appeared. If you fail to receive your statement within a reasonable time after it usually appears, contact HTS promptly. Failure to comply with this notification requirement may bar you from claiming on any error involving your account(s).

In addition, you must notify HTS about any unauthorized activity within ten (10) days after the date the statement is first made available to you (e.g., eDelivery or ClientEXP), on which the unauthorized activity first appeared. If you do not alert HTS to the first unauthorized transaction in a series of related unauthorized transactions within such notification period, you may be barred from making a claim for any further activity in an ongoing series of unauthorized transactions.

35. Notices and Other Communications. Notices including, but not limited to, initial and maintenance calls, delivered to the Customer’s address of record or to the email address provided will be deemed to have been personally delivered to the Customer, whether actually received or not. Any notices requiring immediate verbal delivery left for you on your answering machine, or otherwise, will be deemed to have been delivered to you, whether you actually received it or not.

36. Monitoring and Recording Telephone Conversations and Email. HTS reserves the right to monitor and record any or all telephone conversations and electronic communications between you and HTS and any of HTS’s employees or agents.

37. Safeguarding Your Securities. Your assets that remain in HTS’s custody are insured against loss from fire, theft and forgery under mandated insurance programs and protected against business failure under the federally backed SIPC.

38. Securities Industry Protection Corporation (SIPC) and Excess SIPC Coverage. HTS is, and your Financial Advisor may be, a member of SIPC, which protects securities customers of its members up to \$500,000 (including \$250,000 for claims for cash). An explanatory brochure is available at www.sipc.org or by calling (202) 371-8300. In addition, HTS has purchased Excess SIPC Insurance which covers the net equity of customers’ accounts up to an aggregate of \$150 million from underwriting syndicates at Lloyd’s of London.

The customer securities component, which restricts coverage with respect of any one customer, is a maximum of \$25,000,000 with the aggregate coverage of cash set at \$900,000.

SIPC and Excess SIPC covers accounts of the member firm in the event of a member’s bankruptcy or insolvency. Coverage does not apply to losses due to market fluctuation or any decline in market value of your securities.

39. Fees and Charges. You understand that HTS and your Financial Advisor may charge commissions and other fees for execution or any other service furnished to you, and you agree to pay such commissions and fees, including all associated collection costs. You acknowledge and agree that such commission rates and fees are determined and set by HTS or your Financial Advisor and are subject to change at any time. You agree to pay any applicable fees charged by an electronic communications network (ECN), as well as, all applicable federal, state, local and foreign fees and taxes. A schedule of HTS’s fees is attached as Schedule A.

40. Satisfaction of Indebtedness. Your securities and other property, in any account in which you have an interest, will be subject to a lien for the discharge of any and all indebtedness or any other obligations. All securities and other property of yours will be held by HTS or your Financial Advisor as security for the payment of any such obligations or indebtedness in any account that you may have an interest, subject to applicable law. HTS or your Financial Advisor may, at any time and without prior notice to you, use and/or transfer any or all securities and other property in any account(s) in which the Customer has an interest.

Further, you agree to satisfy, upon demand, any indebtedness, and to pay any debit balance remaining when the account is closed. Customer account(s) may not be closed without the financial advisor first receiving all securities and other property for which the account is short, and all funds due for all securities and other property in which the account(s) are long. You further agree to reimburse the financial advisor for any and all expenses.

41. Indemnification and Limitation of Liability. You agree to indemnify and hold harmless HTS, and its officers, directors, employees, agents, financial advisors, and representatives (Indemnified Parties), the company through which your independent brokerage firm clears from any and all claims, losses, liabilities, costs, damages, and expenses, including reasonable attorney's fees, that may be brought, made, or assessed against any Indemnified Parties caused by, arising out of, or resulting from (i) your failure or refusal to follow any directions or instructions from the Indemnified Parties regarding your Accounts, or (ii) the use in any manner by you of the services provided by HTS pursuant hereto, except where such results from the gross negligence or willful misconduct of the Indemnified Parties. In no event shall the Indemnified Parties be liable to you, or anyone claiming by, under, or through you, or on your behalf, for any indirect, incidental, consequential, or special damages arising from this Customer Agreement.

42. Arbitration Agreement and Disclosures.

The Customer Agreement contains a pre-dispute arbitration agreement clause. By signing an arbitration agreement the parties agree as follows:

- **ALL PARTIES TO THIS AGREEMENT ARE GIVING UP THE RIGHT TO SUE EACH OTHER IN COURT, INCLUDING THE RIGHT TO A TRIAL BY JURY, EXCEPT AS PROVIDED BY THE RULES OF THE ARBITRATION FORUM IN WHICH A CLAIM IS FILED.**
- **ARBITRATION AWARDS ARE GENERALLY FINAL AND BINDING. A PARTY'S ABILITY TO HAVE A COURT REVERSE OR MODIFY AN ARBITRATION AWARD IS VERY LIMITED.**
- **THE ABILITY OF THE PARTIES TO OBTAIN DOCUMENTS, WITNESS STATEMENTS AND OTHER DISCOVERY IS GENERALLY MORE LIMITED IN ARBITRATION THAN IN COURT PROCEEDINGS.**
- **THE ARBITRATORS DO NOT HAVE TO EXPLAIN THE REASON(S) FOR THEIR AWARD.**
- **THE PANEL OF ARBITRATORS WILL TYPICALLY INCLUDE A MINORITY OF ARBITRATORS WHO WERE OR ARE AFFILIATED WITH THE SECURITIES INDUSTRY.**
- **THE RULES OF SOME ARBITRATION FORUMS MAY IMPOSE TIME LIMITS FOR BRINGING A CLAIM IN ARBITRATION. IN SOME CASES, A CLAIM THAT IS INELIGIBLE FOR ARBITRATION MAY BE BROUGHT IN COURT.**
- **THE RULES OF THE ARBITRATION FORUM IN WHICH THE CLAIM IS FILED, AND ANY AMENDMENTS THERETO, SHALL BE INCORPORATED INTO THE CUSTOMER AGREEMENT.**

THE CUSTOMER AGREES, AND, BY CARRYING AN ACCOUNT FOR THE CUSTOMER, FINANCIAL ADVISOR AGREES, THAT ALL CONTROVERSIES THAT MAY ARISE AMONG THE CUSTOMER, THE FINANCIAL ADVISOR, AND HTS CONCERNING ANY TRANSACTION OR THE CONSTRUCTION, PERFORMANCE, OR BREACH OF THIS OR ANY OTHER AGREEMENT AMONG THE CUSTOMER, THE FINANCIAL ADVISOR AND HTS PERTAINING TO SECURITIES AND OTHER PROPERTY, WHETHER ENTERED INTO PRIOR, ON, OR SUBSEQUENT TO THE DATE HEREOF, SHALL BE DETERMINED BY ARBITRATION. ANY ARBITRATION UNDER THIS AGREEMENT SHALL BE CONDUCTED PURSUANT TO THE FEDERAL ARBITRATION ACT BEFORE FINRA OR THE MUNICIPAL SECURITIES RULEMAKING BOARD AND IN ACCORDANCE WITH THE RULES THEN PREVAILING AT THE SELECTED ORGANIZATION. THE CUSTOMER MAY ELECT IN THE FIRST INSTANCE WHETHER ARBITRATION SHALL BE BY FINRA OR THE NYSE, BUT IF THE CUSTOMER FAILS TO MAKE SUCH ELECTION, BY REGISTERED LETTER OR BY OVERNIGHT COURIER ADDRESSED TO THE FINANCIAL ADVISOR AT THE FINANCIAL ADVISOR'S MAIN OFFICE, BEFORE THE EXPIRATION OF TEN (10) DAYS AFTER RECEIPT OF A WRITTEN REQUEST FROM THE FINANCIAL ADVISOR TO MAKE SUCH ELECTION, THEN THE FINANCIAL ADVISOR MAY MAKE SUCH ELECTION. THE AWARD OF THE ARBITRATORS, OR OF THE MAJORITY OF THEM, SHALL BE FINAL, AND JUDGMENT UPON THE AWARD RENDERED MAY BE ENTERED IN ANY COURT, STATE OR FEDERAL, HAVING JURISDICTION. FURTHER, NO PERSON SHALL BRING A PUTATIVE OR CERTIFIED CLASS ACTION TO ARBITRATION, NOR SEEK TO ENFORCE ANY PRE-DISPUTE ARBITRATION AGREEMENT AGAINST ANY PERSON WHO HAS INITIATED IN COURT A PUTATIVE CLASS ACTION, OR WHO IS A MEMBER OF A PUTATIVE CLASS WHO

HAS NOT OPTED OUT OF THE CLASS WITH RESPECT TO ANY CLAIMS ENCOMPASSED BY THE PUTATIVE CLASS ACTION UNTIL: (i) THE CLASS CERTIFICATION IS DENIED (ii) THE CLASS IS DECERTIFIED, OR (iii) THE CUSTOMER IS EXCLUDED FROM THE CLASS BY THE COURT. SUCH FORBEARANCE TO ENFORCE AN AGREEMENT TO ARBITRATE SHALL NOT CONSTITUTE A WAIVER OF ANY RIGHTS UNDER THE CUSTOMER AGREEMENT EXCEPT TO THE EXTENT STATED HEREIN.

MARGIN DISCLOSURE STATEMENT

This statement is being furnished to you to provide some basic facts about purchasing securities on margin, and to alert you to the risks involved with trading securities in a margin account. Before trading stocks in a margin account, you should carefully review the Margin Agreement provided by your brokerage firm (the Firm). Consult your Financial Advisor regarding any questions or concerns you may have with your margin accounts.

When you purchase securities, you may pay for the securities in full or you may borrow part of the purchase price from HTS. If you choose to borrow funds, a margin account will be opened. The securities purchased are collateral for the loan to you. If the securities in your account decline in value, so does the value of the collateral supporting your loan, and, as a result, HTS or your Financial Advisor can take action, such as issue a margin call and/or sell securities or other assets in any of your accounts held with HTS, in order to maintain the required equity in the account.

It is important that you fully understand the risks involved in trading securities on margin. These risks include the following:

- **You can lose more funds than you deposit in the margin account.** A decline in the value of securities that are purchased on margin may require you to provide additional funds to HTS to avoid the forced sale of those securities or other securities or assets in your account(s).
- **The Firm or HTS can force the sale of securities or other assets in your account(s).** If the equity in your account falls below the maintenance margin requirements or HTS's higher "house" requirements, HTS or your Financial Advisor can sell the securities or other assets in any of your accounts held at HTS to cover the margin deficiency. You also will be responsible for any shortfall in the account after such a sale.
- **Your securities or other assets may be sold without contacting you.** Some investors mistakenly believe that HTS or your Financial Advisor must contact the customer for a margin call to be valid, and that HTS or your Financial Advisor cannot liquidate securities or other assets in customer accounts to meet the call unless HTS or your Financial Advisor have contacted customers first. This is not the case. Most firms will attempt to notify customers of margin calls, but firms are not required to do so. However, even if a firm has contacted a customer and provided a specific date by which the customer can meet a margin call, the firm can still take necessary steps to protect their financial interests, including immediately selling the securities without notice to the customer.
- **You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a margin call.** Because the securities are collateral for the margin loan, HTS or your Financial Advisor has the right to decide which security to sell in order to protect HTS's interests.
- **"House" maintenance margin requirements may be increased at any time without advance written notice.** These changes in HTS's policy often take effect immediately and may result in the issuance of a maintenance margin call. Your failure to satisfy the call may cause HTS or your Financial Advisor to liquidate or sell securities in your account(s).
- **You are not entitled to an extension of time on a margin call.** While an extension of time to meet margin requirements may be available to customers under certain conditions, a customer does not have a right to the extension.

MARGIN & SHORT ACCOUNT AGREEMENT

In consideration for HTS and your Financial Advisor opening or maintaining one or more margin accounts on your behalf, you confirm and agree to the following:

1. The terms and provisions of the Customer Agreement apply to accounts of HTS and the Broker/Dealers for which it clears. This provision of the Customer Agreement shall be considered supplementary to the Cash Account Agreement that you have signed. Except as specifically amended by the Customer Agreement, all the terms and conditions set forth in the Cash Account Agreement shall remain effective with respect to your margin account.
2. One of the services provided, is to permit you to maintain a margin account and borrow money on marginable securities using credit extended by HTS. Not all securities are marginable. If you do not know whether the security you plan to purchase is marginable, please consult with your Financial Advisor before you make the purchase.
3. A margin account involves HTS extending credit to you based on the marginable securities in your account as collateral. Margin is the amount you pay when you use HTS's credit to purchase a security. At the time

that you open a margin account, you must furnish your Financial Advisor with the information required for all other accounts, as well as a signed Margin Agreement which contains loan terms and provisions, enabling HTS to pledge or lend securities carried for your account.

4. Margin requirements are twofold. First, there is an initial margin requirement at the time of purchase; and second, there is a minimum margin equity that must be maintained in your account. In most cases, the minimum amount due initially is established by the Federal Reserve Board in accordance with Regulation T. This requirement is expressed as a percentage of the purchase price and it may change from time to time. For example, if the margin requirement is 50%, and you purchase a stock costing \$5,000.00 plus commission, you are only required to deposit 50% of that amount. Under Regulation T, your margin must be deposited into the account by settlement date. The balance due on the purchase will be loaned to you by HTS, and your account will be debited. You are required to pay interest on the amount advanced as you would on any other loan.
5. HTS holds the securities you buy as collateral for your debt. Although HTS retains your securities as collateral, you receive credit for all dividends or interest, and you may direct your Financial Advisor to sell your stock, so long as your account is in good order. The settlement date for purchases and sales of most securities made in margin accounts is usually three (3) business days from the date of the transaction.
6. In addition to the initial margin requirements of the Federal Reserve Board, the NYSE requires a customer opening a margin account to have minimum initial equity of \$2,000 in the account. For example, if your initial purchase of stock costs \$2,400, you will have to deposit \$2,000 rather than \$1,200 which would be required by the Federal Reserve Board (assuming the Regulation T requirement is 50%).
7. The NYSE also sets minimum maintenance requirements. Under present Exchange rules, the margin that must be maintained in an account is 25% of the market value of all securities "long" in the account. The HTS minimum maintenance requirement is 30%. For other securities, such as bonds, there may be a somewhat higher or lower requirement, depending on the security. In accordance with the terms of the Margin Agreement, HTS can increase the margin maintenance requirement at any time, i.e., in cases where there is a lack of diversification in an account's collateral or a preponderance of low priced or infrequently traded securities. If the equity in your account falls below 30% due to a decline in the market value of your securities, it will be necessary for you to deposit additional marginable securities or make cash payment to reduce your indebtedness.
8. If your equity falls below the minimum maintenance requirement established by HTS, you will usually receive a margin call notice informing you of the additional collateral required to bring your account above the minimum level. Further, if HTS considers it necessary, HTS may require you to immediately deposit cash or collateral into your account prior to any applicable settlement date in order to assure due performance of your open contractual commitments. HTS does not have to grant a customer an extension on a margin call. If you fail to meet a margin call, HTS has the right to force the sale of any or all securities and other property in your account; buy any or all securities and other property which may be short in your account; cancel any or all open orders; and/or close any or all outstanding contracts to meet any obligations to HTS. This is at the discretion of HTS and may be done without further notice to or contact with you. HTS reserves the right to select the securities to be sold.

In addition, market conditions may make it difficult for HTS to send you a margin call. The volatility of the market may require HTS to take immediate action without demand for additional collateral, or prior notice of sale or purchase, or other notice or advertisement, to protect HTS's interests. HTS can unilaterally force the sale of securities in a customer's account at anytime without being required to contact the customer. It should be noted that prior notices in the form of a margin call should not be construed as a waiver of HTS's right to take immediate action in your account to protect HTS's interests at some future date, without making a margin call.
9. It is important that you understand the nature of the debit balance in your account and how it is computed. A debit balance represents money that HTS has loaned to you. As previously noted, when you purchase securities on margin, you must pay the amount of money required by Regulation T and the balance of the purchase price is loaned to you by HTS. It is this loan portion which creates the debit balance and upon which interest is charged. Each additional purchase made on margin adds to your debit balance, and any other charge that is assessed against your account (including interest charges) increases your debit balance. It is very important to understand that unlike in a cash account, you can lose more funds than deposited in your account if the value of your investments declines.

All securities which HTS may at any time be holding for you or which may be in HTS's possession are subject to a general lien for the discharge of your indebtedness and other obligations to HTS. This lien is equal to the amount of money that you owe HTS or your Financial Advisor.
10. You authorize HTS to lend any securities or other property held by HTS in your margin account and to carry such property in HTS's customer loans. Such property may be pledged, repledged or hypothecated by HTS without notice to you, for equal or greater amounts due to HTS. HTS shall have no obligation to retain a like amount of similar securities or property.

11. HTS may loan out (to itself or others) the securities that collateralize your margin debit. If it does, you may not receive, with respect to securities that are lent, certain benefits that normally accrue to a securities owner, such as the ability to exercise voting rights, or to receive interest, dividends, or other distributions. Although you may receive substitute payments in lieu of distributions, these payments may not receive the same tax treatment as actual interest, dividends, or other distributions, and you may therefore incur additional tax liability for substitute payments. HTS may allocate substitute payments by lottery or in any other manner permitted by law, rule, or regulation. Please note that any substitute payments HTS makes are voluntary and may be discontinued at any time.
12. A short sale is a transaction in which you sell a security that you do not own. HTS borrows the security on your behalf for delivery to the purchaser. Prior approval is required on all short sales. There may be certain costs associated with the securities that HTS borrows on your behalf, and you agree to pay such costs, including all associated collection costs. You acknowledge and agree that such costs are determined by the party from which HTS borrows the security, HTS or your Financial Advisor and are subject to change at any time. The credit generated by any short sale does not reduce your debit balance for the purpose of computing interest until the short position is covered, either by delivery of the security or by purchasing it. Always bear in mind that your short credit may be reduced substantially, or possibly lost altogether, when you cover your short position by purchasing the security. There are special margin requirements on a short sale. NYSE rules presently require for maintenance margin on short sales: (i) \$2.50 per share or 100% of the current market value, whichever is greater, of each stock short in the account selling at less than \$5 per share, or, (ii) \$5 per share; or 30% of the current market value, whichever is greater, of each stock short in the account selling at \$5 per share or above.
13. If the security that you sold short appreciates in market price over the selling price, interest will be charged on the appreciation in value. If the security that you sold short depreciates in market price, interest on any debit balance in your account is reduced in relation to the depreciation in value. The daily closing price is used to determine any appreciation or depreciation of the security sold short. This practice is known as "marking-to-the-market".

The annual rate of interest which HTS charges on your debit balance is determined by HTS's cost of borrowing money and other factors. The rate is set at the discretion of HTS or your Financial Advisor. When your Financial Advisor sets the rate, you will receive an additional disclosure brochure from your Financial Advisor. Your rate of interest may be changed automatically and without notice.

14. Interest on margin accounts is computed on the settled margin balance in your account. The annual rate of interest which will be charged on your settled margin balance may vary from the HTS Base Rate, depending on the amount of the settled debit balance in your account. Each day this interest is accumulated into a monthly total. The normal interest period ends on the last business day of the monthly statement cycle. Interest is computed by multiplying the daily debit balance by the daily interest rate (1/360 of the annual interest rate) times the number of days in the interest period. If during any interest period there is a change in interest rates, applicable to your account, separate computations will be made for each interval in which there is a change in the rate during the interest period. When the rate changes during an interest period, interest will be calculated according to the number of days each interest rate is in effect during that period.
15. **I acknowledge that I have read, understand, and agree to be bound by the pre-dispute Arbitration Clause contained herein.**

OPTION ACCOUNT AGREEMENT

In connection with any transactions in Put and Call options (including combinations of the two) that HTS and/or your Financial Advisor may handle, purchase, sell, and/or endorse for your account, you confirm and agree to the following:

1. The terms and provisions of the Customer Agreement apply to accounts of HTS and the Broker/Dealers for which it clears. This provision of the Customer Agreement shall be considered supplementary to the Cash and Margin Agreement(s) (if applicable) that you have signed. Except as specifically amended by the Customer Agreement, all the terms and conditions set forth in the Cash Account Agreement and the Margin & Short Account Agreement shall remain effective with respect to your option account.
2. By signing the Option Agreement, you acknowledge your understanding of the risks involved in dealing in options. Where the term "option" is used, this includes all standardized Put and Call options issued by the Options Clearing Corporation.
3. You acknowledge receipt of the current Options Clearing Corporation Disclosure Document and the Special Statement for Uncovered Option Writers, if applicable, and confirm that all your option transactions are subject to the rules and regulations of the Options Clearing Corporation, the appropriate option exchange, FINRA, and any additional terms and conditions which may be imposed.

4. You agree that acting alone or in concert with others, you will not exceed the position and exercise limits imposed by the Options Clearing Corporation or other regulatory bodies. You further understand that it may be necessary to report your position in a class of options having the same underlying security to the proper regulatory authority, indicating your name, address, and Social Security number.
5. You acknowledge that you have furnished your Financial Advisor with your financial information and investment objectives. Should your financial situation or investment objectives change, you will notify your Financial Advisor immediately. HTS or your Financial Advisor reserve the right to deny, revoke or discontinue option privileges on any account.
6. You acknowledge that HTS or your Financial Advisor have the right to determine whether an order is acceptable, as well as, the position limits that HTS or your Financial Advisor are prepared to undertake for your account.
7. You acknowledge that both the purchase and sale (writing) of Put and Call options involve a high degree of risk and are not suitable for all investors. You are aware that you should not purchase an option unless you are able to sustain a total loss of the premium (cost of option) and the costs associated with purchasing the option. Further, you are aware that you should not sell (write) an option unless you own the underlying security or are in a position to assume the substantial risks inherent in writing "naked" options. You agree not to hold the financial advisor liable for any loss incurred due to the purchase or sale of such securities.
8. You are aware that when you purchase an option, you must pay the full premium and that an option purchase cannot be margined. In addition, there are special margin requirements governing the sale of options with which you will become familiar before commencing an option program. Complete details on the margin requirements for options are available through your Financial Advisor.
9. As additional consideration for the opening sale of Call option(s) for your accounts, you agree that you will not sell, during the life of such option(s), the underlying collateralizing securities until such option(s) are closed, exercised, expire, or you have been approved for and have met the collateral requirements established by the financial advisor for carrying Uncovered Call options. You also agree that the financial advisor, in the financial advisor's sole discretion, may refuse any orders to sell such underlying securities which the financial advisor receives from you or by means of a "give-up" basis through another financial advisor unless, prior to such sale, you have met the collateral requirements established by the financial advisor for carrying Uncovered Call options. The financial advisor has the right, at the financial advisor's sole discretion, to permit you to apply the proceeds of such sale to collateral requirements.
10. Since option contracts are traded for a specified period of time and have no value upon expiration, you agree to advise your Financial Advisor if you wish to enter offsetting transactions by closing out your position or exercising the option prior to the expiration date. Failure to do this may result in the option expiring worthless, even though it might have a monetary value on the expiration date. You understand that you bear full responsibility for taking action to exercise or sell valuable options. In the absence of you notifying the financial advisor to exercise a valuable options contract by 3:00 PM, CST, on the last business day prior to expiration date of the options contract, you agree that the financial advisor may exercise the options contract on your behalf. This is in no way to be construed as an obligation on HTS's part to sell or exercise such options on your behalf.
11. You acknowledge that you are aware that all short American-style option positions are subject to assignment at any time and that European-style option contracts are only exercisable on the option's date of expiration. Since an American-style option provides an investor a greater degree of flexibility than a European-style option, the premium an American-style option is at least equal to or higher than the premium for a European-style option which otherwise has all the same features.
12. When HTS receives an exercise notice from the Options Clearing Corporation, HTS assigns the notice to a customer who is a writer of an identical option contract. Exercise assignment notices for option contracts are allocated among customer short positions pursuant to a procedure that randomly selects from among all customer short option positions that are subject to exercise. All short options positions are liable for assignment at any time. A more detailed description of HTS's random allocation procedure is available upon request.
13. If an exercise notice is assigned to your account, you must deliver the underlying security to HTS in the case of a Call, and deposit funds or securities with HTS in the case of a Put, sufficient to properly margin the security promptly.
14. **I acknowledge that I have read, understand, and agree to be bound by the pre-dispute Arbitration Clause contained herein.**

INVESTMENT OBJECTIVES

To ensure that you, the Customer, and HTS have a mutual understanding of the meaning of the investment objective terminology utilized on the New Account Application, the terms and corresponding definitions are contained herein. Please discuss any necessary clarifications of those terms with your Financial Advisor.

MUTUAL FUND BREAKPOINT DISCOUNT DISCLOSURE STATEMENT

When investing in mutual funds it is important to understand sales charges, expenses, and management fees, as well as breakpoint discounts. For general information about these fees and discounts, please refer to the Mutual Fund Breakpoint Disclosure Statement located at www.hilltopsecurities.com. To request a copy of this disclosure by mail or fax, please contact your Financial Advisor.

SCHEDULE A: COMMISSIONS AND OTHER FEES

Your Financial Advisor will set the commissions or miscellaneous fees, if any, to be charged to you on security transactions reflected on your confirmation. You should consult your Financial Advisor for details of his commission charges. Commission and fees are subject to change without notice. Please contact your Financial Advisor with any questions. Additional fees may apply. Charges are for street name or customer name positions and securities delivered to HTS. If the securities are held in street name or customer name, the fee will be based on shares accepted for tender, not on returned (unaccepted) shares. For shares delivered to HTS for tender, the fee will be based on total shares tendered, including any pro-rated shares.

Customer charges and fees include:

Interest: HTS reserves the right to charge interest on: (i) payments to you before the settlement date on securities; (ii) payments to you for securities sold where good delivery of securities has not been made; and (iii) on debit balances where payment has not been received from you on or before the settlement date on securities purchased.

Hilltop Securities Inc. Business Continuity Planning Disclosure

Hilltop Securities Inc., (HTS), provides services using computer systems and financial relationships. The events of September 11, 2001 emphasized the importance of the capital markets to the U.S. economy. As a result, HTS has been working to improve our responses to various situations that have the potential to impact HTS's ability to serve you. This disclosure document is designed to provide you with information on how HTS has approached and/or plans to approach various situations that HTS may encounter.

Overview of Hilltop Securities Inc.

HTS, a Member Firm of the NYSE, is a full-service brokerage firm providing customers with execution services on all major exchanges and access to all major markets. In addition, HTS performs, as agent, certain execution and clearing functions for independent brokerage firms. These functions are provided primarily in Dallas, Texas with various broker, trading, stock-loan and investment banking offices located in other locations in the United States.

HTS uses various mission critical systems to provide these services to HTS's customers. These systems are housed at one of HTS's data centers, one of HTS's offices, or at a third party service provider, exchange or utility.

Our business continuity planning (BCP) first insures the safety and security of HTS's employees. The events of September 11, 2001 emphasized the unique skill sets of personnel who work in the securities industry and the need to put employees' safety first so that after an interruption employees are available to continue serving HTS's customers. In addition to protecting HTS's personnel, HTS's BCP and daily operations are focused on preserving HTS's critical firm and customer data through regular back ups which are moved off-site either via media and/or real time and near real time electronic copies of HTS's data at remote locations. In 1996, HTS added a second data center in one of the suburbs of Dallas which houses HTS's backup hardware/software, real time data copies and back office recovery space. HTS has constructed high bandwidth networks between HTS's two data centers allowing HTS to utilize the resources of both centers during normal production, as well as facilitating the real time movement of data from the primary data servers to the back up data servers. Finally, HTS's industry is heavily interconnected with data connections ranging from dial-up modem communication, dedicated private lines, frame relay technology and, in many cases, the Internet, through encrypted sessions. Where mission critical systems are involved, HTS has installed, where possible, redundant connections to the exchanges, utilities and counterparties involved.

Business Continuity Planning Response Scenarios

The details of HTS's BCP are proprietary and contain information that is confidential and in many cases potentially harmful to HTS and HTS's customers if publicly available. The following series of event scenarios are presented to disclose to you HTS's planned approach for dealing with a variety of hypothetical Significant Business Disruptions (SBD's), but based on the number of variables present in each situation, HTS cannot guarantee HTS will follow these plans.

Scenario: An event occurs that, like September 11, 2001, causes the complete shut down of securities trading, clearance/ settlement or other banking services nationwide. (nationwide)

HTS plans to continue business during this type of event and will await the reopening of the affected institutions. Unless a securities industry holiday is declared, we plan to be open each business day until full functionality is restored. The recovery time in this scenario will be dependent on the timing specified by the impacted organizations. HTS plans to be ready to open when securities trading clearance/settlement or other banking services nationwide reopen.

Scenario: A specific exchange is unable to trade. (nationwide)

HTS plans to continue business during this type of event and will route order flow away from that exchange to alternative exchanges for the securities that exchange trades. HTS's recovery time objective for this scenario is less than one hour.

Scenario: One of HTS's major telecommunications vendors loses a key central office or service offering. (nationwide and/or HTS only)

HTS plans to continue business during this type of event and will use alternative dialing plans (e.g. placing/receiving local calls through a long distance vendor different from the failed vendor), backup lines from a different vendor for mission critical data applications (e.g. use the Sprint backup connection to an exchange when AT&T is down). HTS's planned recovery time objective is less than four hours.

Scenario: The power grid (ERCOT) that serves the majority of HTS's Texas locations is down. (regional)

HTS plans to continue business during this type of event and will utilize the backup generators that are located at both the primary data center location and the backup data center location to power HTS's operations during the outage. Where necessary, HTS will relocate personnel among HTS's facilities to compensate for any workspace outages. HTS's planned recovery time objective for power to HTS's data centers from the backup generators is less than fifteen minutes. If HTS is required to activate our business resumption space for operations recovery, the planned recovery time objective is four hours for mission critical functions.

Scenario: HTS's headquarters location is closed. (single building, city wide, business district)

HTS plans to continue business during this type of event and will transfer mission critical activities to the backup data center and HTS's other offices and affiliate offices. Assuming no access to and no power to the building, the planned recovery time objective for mission critical activities is four hours.

HTS's planned recovery times for business resumption may be negatively impacted by the unavailability of external resources and other circumstances beyond HTS's control.

In the event of a significant business disruption, HTS will supply additional information at 866-797-5BCP (866-797-5227).

Updates to this disclosure

As HTS continues to test its plans and as conditions at HTS and in the industry change, HTS will continuously revise the plans as considered necessary. Whenever HTS updates this BCP disclosure document, HTS will promptly place a copy of it on its website. You may request a hard copy of this disclosure in its current version be sent to you at any time by mail or you may access it at HTS's website at www.hilltopsecurities.com.

Special Statement for Uncovered Option Writers

If Account Approved for Other Option Transactions

There are special risks associated with uncovered option writing that expose the investor to potentially significant loss. Therefore, this type of strategy may not be suitable for all customers approved for options transactions.

1. The potential loss of uncovered call writing is unlimited. The writer of an uncovered call is in an extremely risky position, and may incur large losses if the value of the underlying instrument increases above the exercise price.
2. As with writing uncovered calls, the risk of writing uncovered put options is substantial. The writer of an uncovered put option bears a risk of loss if the value of the underlying instrument declines below the exercise price. Such loss could be substantial if there is a significant decline in the value of the underlying instrument.
3. Uncovered option writing is thus suitable only for the knowledgeable investor who understands the risks, has the financial capacity and willingness to incur potentially substantial losses, and has sufficient liquid assets to meet applicable margin requirements. In this regard, if the value of the underlying instrument moves against an uncovered writer's options position, the investor's broker may request significant additional margin payments. If an investor does not make such margin payments, the broker may liquidate stock or options positions in the investor's account, with little or no prior notice in accordance with the investor's margin agreement.
4. For combination writing, where the investor writes both a put and a call on the same underlying instrument, the potential risk is unlimited.
5. If a secondary market in options were to become unavailable, investors could not engage in closing transactions, and an option writer would remain obligated until expiration or assignment.
6. The writer of an American-style option is subject to being assigned an exercise at any time after he has written the option until the option expires. By contrast, the writer of an European-style option is subject to exercise assignment only during the exercise period.

NOTE: It is expected that you will read the booklet entitled **CHARACTERISTICS AND RISKS OF STANDARDIZED OPTIONS** available from your broker. In particular, your attention is directed to the chapter entitled Risks of Buying and Writing Options. This statement is not intended to enumerate all risks entailed in writing uncovered options.

Hilltop Securities Inc. Privacy Policy

At Hilltop Securities Inc. (HTS), we are committed to protecting your privacy and the confidentiality of your personal and financial information. The measures we take to keep your personal information private and secure are outlined below.

HTS has multiple affiliates, including Hilltop Securities Independent Network Inc., Southwest Insurance Agency, Inc., First Southwest Asset Management, LLC, National Lloyds Insurance Company, and PlainsCapital Bank. These companies, along with HTS Inc., are wholly owned subsidiaries of Hilltop Holdings Inc., a financial holding company whose stock is listed on the New York Stock Exchange under the ticker symbol HTH. Since the affiliates are all part of one corporate family, they work with one another and may work together to service your financial needs. The sharing of your information among our affiliates enables us to serve you more efficiently and makes it more convenient for you to do business with us. We are permitted by law to share information with our affiliates about your account history and your experiences with us. All of our affiliates follow similar privacy policies.

How We Protect Confidentiality

HTS uses procedural, physical and electronic system safeguards to store and secure information about you in compliance with federal standards. Our systems protect your information from unauthorized access, alteration, and destruction. Access is permitted only to those individuals within our organization who need the information to perform their job responsibilities.

When we enter into agreements with other companies to provide services to us or to make products and services available to you, we include a confidentiality clause. Under such an agreement, these companies may receive information about you, but they may only use it for the intended purpose - to benefit you.

Persons Covered by the Privacy Policy

The HTS' Privacy Policy applies to anyone who is a current or former HTS brokerage or investment advisory client or who registers with one of our services or promotional offers. We provide you with a copy of this policy when you open an account, and we send you annual notifications

thereafter. If we change our policy regarding the sharing of information, we will notify you in advance and give you the opportunity to "opt out" of such disclosure.

How We Obtain Information About You

In the normal course of business, we collect, retain and use information about you to serve your financial needs, administer your account(s) and inform you of products and services that may be of interest. This data, known as non-public personal information, may be collected from several sources, including: applications and other forms you file with us (e.g., name, assets, income), records of transactions with us, our affiliates, non-affiliated third parties and others (e.g., credit report). Because we strive to provide you with the best possible service, the accuracy and completeness of your personal information is important to us. We ask that you review your information regularly to ensure that it is correct. Please contact your financial advisor or HTS directly if you need to correct or update your personal information.

Sharing Information-With Whom and Why

HTS does not sell your personal information to anyone. We restrict the types of information we share and the types of entities with whom we share it. The primary reason for sharing information about you is to increase your convenience in transacting business with us and to give you more financial service choices.

We do not disclose your personal information to non-affiliated third parties, unless one of the following exceptions applies: (1) We disclose personal information to service providers that assist us in processing your transactions or servicing your account(s). An example would be the company that prints and mails your account statement. (2) We disclose or report personal information in limited circumstances when we believe in good faith that disclosure is required or permitted under law. For example, we would provide information in cooperation with securities regulators or law enforcement authorities, to resolve consumer disputes, or to perform credit evaluations and authenticate checks.

Internet Security

We do not retrieve account or personal information from visitors who browse the public areas of our website.

Clients who have the ability to access their accounts online are required to log on to our secure websites with their user name and individually selected password. Your password is known solely to you and should never be shared with anyone. Each time you access your account, please log off when you are finished. This will prevent someone else from accessing your account if you leave your computer unattended.

HTS employees use information about you to respond to your needs and to provide you with information about specific products in which you may have an interest. We instruct our employees to use strict standards of care in handling the personal, confidential information of customers and remind them on a regular basis of their obligations with regard to the confidentiality of customer information.

Option to Opt Out and Change Notices

If for any reason at any time in the future, we find it necessary to disclose any of your personal information in a way that is inconsistent with this policy, we will give you advance notice of the proposed change and the opportunity to opt out of such disclosure. For your reference, this Privacy Policy has been posted at www.hilltopsecurities.com. If you have questions or concerns, please contact us via email at info@hilltopsecurities.com.
